Collins and Associates Accounting and Tax services is a family-owned business offering a variety of special services with a personal touch.

The Lambertville firm, at 3352 Dean Rd, is owned by Laura Collins. Her three children, James, Nicole and Sherie, also work in the business.

“Our knowledgeable, personable, and friendly staff is a prominent characteristic, noticeable the moment you walk in the door,” Laura said..

Collins & Associates offers full accounting service and tax preparation for individuals and businesses, from small to large firms.

“We offer free initial consultations with no obligation,” Laura said. “That means you can sit down and talk to someone, at no charge to you, and discuss whatever concerns you may have.”

The company’s many ‘specials’ make it unique, she said.

“We offer senior discounts, FREE second opinions, FREE consultations, and we file dependents returns for FREE.

We also provide several discounts for the unemployed, veterans, new clients, and current clients.”

For the past two years, Collins & Associates has also been preparing tax returns for active duty military personnel at no charge.

“It’s our way of showing appreciation to the military,” Laura explained. “We’ve prepared returns from 13 different states and have had inquires from the Horn of Africa to Southeast Asia.”

Collins employees complete continuous education courses each year in order to be up-to-date on the new and changing tax laws, Laura noted.

“We dig for every deduction,” she explained. “We believe in helping clients keep more money in their pockets, and we work to make sure you save the most amount of money during tax time”
